With such a busy summer, Corali has also created a participation newsletter, to let you know what education, outreach and training work the Company has been doing.

## **Demonstrate**

Working in partnership with Oval House Theatre, Corali has begun a workshop series for young people 8 - 13 with profound disabilities. Corali artist tutors Victoria Thompson, Kasia Maslowska, Bridget Chew and DJ were part of the first team, making a fantastic performance after only 5 sessions.

## **Dancing with Muybridge**

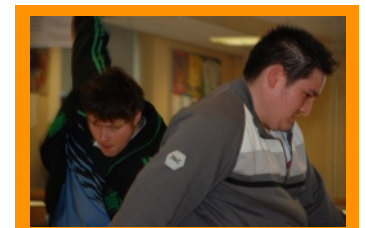

Coral artist tutors Bridget Chew and DJ successfully delivered a third Arts Awards programme at Greenside school in Stevenage. All students passed and performed at the schools open evening in July. Their performance was based on a visit to the Muybridge exhibition at Tate Britain.

## **Morley College Course**

Led by artist tutor Marianne-Rouvier Angeli, Corali delivered it's first ever inclusive dance course as part of a 10 week module at Morley College, culminating in a performance as part of the college's annual dance showcase.
